**To forgive is to release a prisoner, and discover the prisoner is you - Lewis Smedes**

Eleos is for people who desire to say as Jesus did on the cross “Father, forgive them…” However, sometimes we just can’t get the emotions to match up what we know is best for ourselves and others.

God designed essential oils to have a balancing impact on the emotional seat of the brain. The oils in Eleos were prayerfully chosen to help provide the strength needed to move forward in the process of forgiveness.

*Roll on wrist/and or neck and inhale before a time of prayer, journaling, walking or other means of processing forgiveness for someone else or yourself.*

---

**Eleos is the Greek word for “mercy”, a true sign of forgiveness.**

The essential oils in *Eleos* were selected from different plant parts, with beneficial properties that correlate with different stages of forgiveness. For more info go to [www.oilsofshakan.com/eleos](http://www.oilsofshakan.com/eleos)
